Dear Mr. Feldcamp:

Re: Solid Waste Registration No. 30056
McGregor Site Pesticide Clean-up

The Texas Department of Water Resources staff reviewed the ERM - Southwest report entitled Confirmation Study and Evaluation of Remedial Alternatives Report which you submitted on July 23, 1985. The Department concurs with the conceptual closure plan and requests that you proceed with the development of final closure specifications. Should you have any questions about this matter contact Ms. Ann McGinley of Solid Waste Enforcement at 512/463-7788.

Sincerely,

Bryan W. Dixon, P.E., Chief
Solid Waste and Spill Response Section
Enforcement and Field Operations Division
